## SUB presents Variety of films

— by Linda Morris —

This semester the Student Union Board is presenting a wide variety of films for your viewing pleasure. Be sure to come enjoy these exciting movies with your friends.

The first film of the semester was "Best Friends," starring Burt Reynolds and Goldie Hawn.

The second movie of the semester is "On Golden Pond," which will be shown on January 27 at 7:00 and 9:15 p.m. in Whitfield Centre. This film pairs movie greats Katharine Hepburn and Henry Fonda as an elderly couple spending what could be their last summer together. The story is complicated further by their daughter, played by Jane Fonda, showing up and reviving old antagonisms with her father. In addition, she drops off her fiancé's son. This abrasive boy, however, helps the old man resolve some of the anxieties he is experiencing related to his impending death.

On February 3 the academy-award-winning film "Kramer vs Kramer" will be presented

at 7:00 and 9:00 p.m. in Marian Centre Lounge. Dustin Hoffman portrays an account executive who is insensitive to his wife's needs for personal fulfillment. His wife, played superbly by Meryl Streep, abandons her role as wife and mother and leaves her husband and son to their own devices. Later however, she returns to lay claim to her adorable seven-year-old son. A courtroom battle then ensues between the mother and father over custody of their child.

In conjunction with "Kramer vs Kramer" will be a Dustin Hoffman trivia contest. Prizes will be awarded for the most correct answers and there will be a drawing for the "Kramer vs Kramer" movie poster. Check the bulletin boards and display cases in Marian Centre for more information.

Funded through the Student Union Board, these films are free to Avila Students, staff, faculty, their family, friends, and guests.

## Division receives new equipment

— by Saa-Saw Hairich —

The Communication Division at Avila is going through some major changes which will ensure Avila communication majors the best program available.

The Division has recently purchased thousands of dollars of top quality television

production equipment, to be installed over the Christmas break.

Kevin Campbell, communication instructor, feels confident that this new, advanced equipment will give the communication students an added edge over other col-

lege students.

Mr. Campbell stated, "Students interested in television production need no previous knowledge in the subject; only the desire to learn."

The Communication Division at Avila gives complete instruction in television production, editing, writing, directing and operation of all equipment.

Some of the new equipment such as the Chyron character generator and the TBC (Time Base Corrector) are usually found only in professional production studios.

For further information concerning course offerings, contact Mr. Campbell at the television studio, located in Lower O'Reilly (across from A.L.T.).

## PAVA Divisions combine efforts, Prepare for four productions

— by Tim Moora —

When one thinks of the theatre usually the first thing to come to mind are the stereotypical comedy and tragedy masks. The Spring Semester will see Goppert Theatre wearing these and many more masks.

The first production will be **Deathtrap** by Ira Levin. This suspense thriller, with many plot twists, as in the style of Agatha Christie's stage productions "Ten Little Indians" and "Mousetrap."

The cast of **Deathtrap** consists of Oscar Long, Hayden Logston, Linda Cleek, Nancy Nail, and Scott Turley. David Steinburg is the director.

The second production, an alternate theatre produc-

tion, is **Lovers: Winners** by Brian Friel. This combination of acting and forensics, or speech, works together to combine into a wonderful production depicting youth, love, and tragedy.

Ray Thomas, Christy Russell, John Hays, and Connie Hayworth make up the cast with Jack Simpson directing.

The Performing Arts department, Music, Dance, and Speech/Theatre divisions, are collaborating on the third production, **Little May Sunshine**, a musical with book, music and lyrics by Rick Besoyan.

Director, C. Richard Pond said, "It is a parody on the 1940's Jeanette McDonald-Nelson Eddy operettas."

The cast contains 23 members from the department. They are Danny Reardon, Mark Whorton, Jim Wright, John Hays, Ray Thomas, Hayden Logston, Rob Brown, Tim Moore, Peter Richardson, Kevin Draves, Nancy Nail, Gerry Kinerk, Cary Brown, Rene Forslund, Carol Kopp, Amy Lowery, Christy Russell, Connie Hayworth, Beth Van Horn, Susanna

Velasques, Lane Lucas, Andre Montgomery, and Oscar Long.

The final production of the semester will be **Lincoln Center to Broadway III**.

This consists of a variety of dance and music that might be seen and heard from Lincoln Center of 64th Street to the Broadway Theatres of 42nd Street (opera, operettas, jazz, musical-comedy).

The performers in this show are, as Sister de La Salle stated, "chosen by work done in the studios. Teachers in their respective studios are best able to identify the cream of the crop."

Production dates are as follows:

**Deathtrap** — February 10, 11, 17, and 18.

**Lovers: Winners** — February 14 and 15.

**Little May Sunshine** — April 6, 7, 13, and 14.

**Lincoln Center to Broadway III** — May 4 and 5.

For additional information or reservations call the Theatre Box Office at 942-8408 or on-campus at Ext. 289.

## 'Daybreak'

Look for a new entertainment series entitled "Daybreak" presented by the Special Events area of the Student Union Board.

Five Tuesdays at 11:30 a.m. during the Spring Semester will feature a variety of performers for noon-time entertainment.

Take a break on Tuesdays and join the crowd in the Marian Centre Lounge.

The series begins February 7, ...Look for additional promotion.

## Apply early to receive Best possible aid package

With increased educational and living costs continually facing all students, no one should overlook the possibility of receiving financial assistance to help cover associated college expenses. Students are encouraged to apply for financial aid for the 1984-85 academic year as soon as possible after January 1, 1984. Students who submit applications before March 15, 1984 will have more aid resources available to them. (For students applying after March 15, aid will still be available but the number of aid resources will be more limited.) A majority of Avila Students receive some type of financial assistance from Federal, State, Institutional and private sources.

Given the current status of

the budget cuts in the state of Missouri, it is highly recommended that any student who is a Missouri resident and wishes to apply for a *Missouri Student Grant*, should do so before March 15, 1984.

The majority of students who submit applications before March 15, 1984, should be notified of any financial aid awarded prior to the end of the Spring 1984 semester.

Students may pick up financial aid applications, receive assistance in filling out forms and find out more information about financial assistance and outside scholarships at the Student Financial Office (SFAO) in lower Blasco Hall. The SFAO is open from 8:00 a.m. to 4:45 p.m. Monday through Friday.

## Kansas City summer program To employ 500- 600 people

Each year the City of Kansas City employs 500 to 600 people in its summer program. These programs are filled using existing City Merit System rules and regulations.

While the majority of positions in this program open around June 1 and run through August 31, some begin as early as April 1 and run through Sept. 15.

Applicants for these positions must be current resi-

dents of Kansas City, Missouri, and must have reached their sixteenth (16th) birthday by May 15, 1984. Examinations for these positions will be scheduled during the Spring break period.

Application deadlines are as follows: for Spring examinations, 5:00 pm April 13, 1984. For application forms and additional information see Lynn Compton, Human Resources Centre, Lower Blasco.

# Christian Service Award Extends application area

In fall of 1982-83 Avila College initiated the Parish Achievement Award to recognize Catholic students who had been actively involved in parishes in the Kansas City-St. Joseph Diocese. The award has now been extended to include young men and women outside the diocese and is known as the Christian Service Award.

Young adults who have been active in areas of service: parish, high school, volunteer programs, social action, youth ministry and who desire to cultivate the seeds of Christian ministry are encouraged to apply for the award.

Recipients of the award, while choosing from a variety of college majors will be afforded the opportunity for simultaneously continuing faith enrichment. They will enter into courses and other experiences designed to enable them to emerge, not only prepared for a career, but as committed Christians.

This experience of higher education will provide a setting, resources, and skills to enable students to integrate human experience and the search for knowledge. Hopefully, they will emerge with the desire to enter into adult ministry within the parish or larger church community.

The selection committee

will determine the amount of the awards but they will range from a minimum of \$200 to a maximum of \$1000 a semester depending on the qualifications of the applicants. The awards may be renewed each semester depending on the qualifications of the applicants. The awards may be renewed each semester if the recipients evidence continued ministry involvement commensurate with the norms for renewal. Contact Sister Patricia Gillespie, Director of Campus Ministry, for application and information regarding this award.

## WHOEVER HEARD OF REGISTRATION TAKING FIVE MINUTES?

If you're a man who is eighteen or within a month of your eighteenth birthday, you should be registering with Selective Service. To register, just go to any U.S. Post Office and pick up a registration form. Fill out the form, sign it and hand it to a postal clerk. It only takes about five minutes. That's not a lot to ask for a country as great as ours.

Register. It's quick. It's easy.  
And it's the law.

## Opportunity now available For short-term residency

In the past "life on campus" may not have been an experience which all students have had an opportunity to sample. To provide the opportunity to experience Residence Hall life, the Office of Student Life has instigated the Mini-Residency Program.

The cost of the program is \$109 for 14 days or \$199 for 28 days. (10% Buddy System Discount: two students, same sex, as roommates, same residency weeks.)

One may wish to try a Mini-Residency before considering a full year or semester contract in 1984-85. Also, it could be a great way to avoid hazardous winter commuting for a month and save enough gas to subsidize the cost of a Mini-Residency.

A Mini-Residency Program includes:

(1) A 14 or 28 day and night stay in Carondelet or

Ridgway Hall. A private or double room will be assigned based on availability. Students on the Buddy System are guaranteed roommate assignments.

(2) A full board program contract providing 21 meals per week in the Marian Centre Dining Room (and a special welcome gift from Gladioux Food Service).

(3) Special invitations and hosts to opening meals, Residence Hall Government programs, and floor activities.

(4) An opportunity to spend a few weeks living as an average resident student with all the advantages of saved time, convenience, access to library and faculty resources and, of course, a whole new world of friends.

All Mini-Residencies begin and end on Sunday afternoons. Each participant(s) may choose the dates of

residency and the housing staff will make all the arrangements.

The Resident Assistant on the assigned floor will give each participant a guided tour of the halls, escort them to Sunday dinner and introduce them to the current residents.

Due to special pricing, the 28 day residency is non-renewable, and the 14 day residency may be repeated only once. Arrangements can be made for a full semester contract on a prorated basis from the date of the Mini-Residency.

Should one have any questions or wish to make Mini-Residency arrangements, simply call the Student Life Office at 942-8400 Ext. 260 and space will be reserved and appropriate contract information will be sent to the participant.

# Teams continue schedule Through Christmas Break

by Avila Sports Information  
December 7, 1983  
**MEN'S BASKETBALL**

The Avalanche Express will be looking to get back on the winning track this Saturday night when Avila travels across town to play UMKC. Avila enters the game with a 4-4 record.

Southwest Baptist used a swarming defense to hand Avila its fourth loss of the season, 66-50, last night. The Bearcats pulled out to an early 12-2 lead and maintained that margin at half-time 30-20. In the first half Avila only managed to shoot 8 or 24 from the floor.

Early in the second half though Avila's shooting started to heat up. The Avalanche pulled within one, 38-37 with 10:45 remaining. Missed free throws in the next several

minutes sealed Avila's fate as the Bearcats pulled out to a 47-40 lead.

On the night Tom Bodenstab led Avila in scoring with 13 points followed by Tom Saunders with 12. Rick Smith pulled down 8 rebounds.

Avila found themselves outmatched when they traveled to Central Missouri State. The Mules ran off an early 22-2 lead and finished with a 75-56 victory. Strong individual performances came from Saunders with 14 points, Rich Murdock with 10 points, Craig Kliethermes with 10 points and Smith with 10 points and 12 rebounds.

**WOMEN'S BASKETBALL 1-6**

Avila closes out its first semester play this week when it hosts Pittsburg State on Thursday and Washburn on Saturday. Missouri Valley overcame a late Avila lead to win 46-44. Last night Freshman Laurie Roder led Avila with 12 points and 10 rebounds.

Evangel downed Avila 55-39. Avila's Linda Hall finished with 15 points and 17 rebounds.

At this point in the season the defense is ranked 5th in District 16. Ginger Cold-snow is leading the District in rebounding with a 14.3 average while Hall is fourth with a 10.4 average. Hall is also

among the leaders in scoring and free-throw shooting.

**December 14, 1983  
MEN'S BASKETBALL**

The Avalanche will start the new year rolling when they play Benedictine on January 4 in the Kansas City Tournament at William Jewell. Avila is the #4 seed in the tournament which features 89 area teams. The other six teams are Baker, Emporia State, Graceland, Mid-America, UMKC and William Jewell.

Avila's 1983 portion of its schedule came to a quiet close as Washburn beat the Avalanche 89-60. Guards Tom Saunders and Jeff Thompson gave Avila an early lead in the game with strong shooting but Avila soon found themselves haunted by foul trouble. Washburn took advantage of it and pulled in front at the half 45-31.

Saunders and Thompson finished with 16 points each. The loss dropped Avila's record to 4-6.

UMKC downed Avila 61-48. Avila was close throughout the first half but fell behind when they could not score in the opening minutes of the second half. Saunders led Avila in scoring with 18 points, while Rick Smith pulled down 12 rebounds.

## Goalkeeper, defender earn Berth on All-American Team

by Avila Sports Information  
January 6, 1984

Goalkeeper Tom Hampel and defender Craig Kasten joined an elite group of former Avila athletes when they recently won All-American honors. It is the first year that Hampel made All-American and the third consecutive year that Kasten has been named All-American. Ham-

pel made the NAIA All-American team while Kasten made the NAIA and ISAA All-American teams.

The players join the growing list of former Avila soccer players who have earned All-American honors. The list includes Dan Daily (1980), Anthony Christian (1981),

and Joe Schrick (1981-1982).

Both players were also named to the All-Midwest team along with midfielder Scott Huber. Larry Larson joined Hampel and Kasten on the NAIA District 16 team. The latter two were joined by Neil Kelly on the NAIA Area 4 team.
